FACTORY TOUR

Wondering about the MMT Print facility?

Contact your Account Manager to arrange a visit to the Shailer Park site.

Not sure about our capabilities? We have 5-meter wide printers, 3 flatbeds, and 6 small format machines, offering a wide range of options.

With on-site fabrication services like lamination, UV/Anti-graffiti coating, edging, contour cutting, and kiss-cutting, we are here to support your business.

Meet Our Team - Staff Profile
Jason Weaver

01/02

Change is a fundamental part of life.

MEET OUR TEAM

Jason Weaver

Jason has been a member of the MMT Print Graphics Team for a solid 12 years.

His journey began at the young age of 13, swiftly delivering the Manly Daily morning paper on his trusty bike.

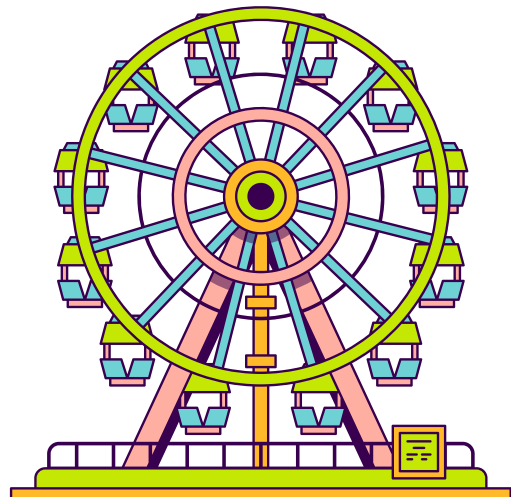

Outside of work, Jason devotes his time to his supportive family, who inspire him to grow and shower him with love.

When it comes to music, Jason's taste veers towards unique and undiscovered tracks, drawn from his experiences at various festivals and gigs.

If he could choose a dream vacation, Jason dreams of a Nordic escape, topping his wanderlust wishlist.

MMT PRINT production will be closed on Monday 12th August 2024 for the Logan EKKA Public Holiday.

Our office staff will be rotating their days off to ensure your requests are actioned.

“Individual commitment to a group effort – that is what makes a team work, a company work, a society work, a civilization work.” – Vince Lombardi
